## **Unforeseen Tour Cancellation Policy**

Due to unforeseen circumstances beyond our control, in the event the annual Fall Art Tour needs to be cancelled, the following rules, guidelines, and expectations shall be adhered to by all current tour-wide participating artists, guest artists, and visiting artists:

1. The Fall Art Tour group liability insurance policy will not apply to years the tour is cancelled for the weekend of the cancelled Fall Art Tour. Therefore:
2. No participating artist shall be allowed to:
  - A. Host guests or open studio tours on the weekend of the cancelled tour similar in form and format to the Fall Art Tour's existing model (exceptions include: galleries and studios where regularly scheduled hours of operation are held consistently throughout the year)
  - B. Use any official Fall Art Tour name, logo/s, imagery, or language to promote any sort of spin off or miniature Fall Art Tour at your individual tour stop, alone or coordinated with any other stops on the tour during the Fall Art Tour weekend or any other weekend.

Consequences for not adhering to the unforeseen tour year cancellation policies may result in termination from your Fall Art Tour contract and/or your eligibility for participation in following year/s.
